## QUALIFYING INFORMATION

- **QUALIFYING:** Qualifying for the Championships differs based on the division in which you want to qualify. However, all entrants must enter the competition with a nonrefundable \$50 application fee, which will be credited to the entry fee should the applicant qualify, by September 14<sup>th</sup>, 2018.
- **ENTRY:** Entries may be submitted electronically via [horseshowsonline.com](http://horseshowsonline.com) or by mail through Ryegate Show Services. If by mail, entries must be postmarked before midnight EST on the date shown above. Should an entry bear both a postage meter date and postmark by the Post Office Department, the Post Office date will be considered the effective date of mailing. Should an entry bear a postage meter date and no Post Office Department postmark, the metered date shall be valid only if received within seven days of the date shown. Entries sent via courier service must be entered into the courier's system by the courier's representative before midnight on the date shown above to be considered on time. A date and/or time entered on the waybill by the sender is not considered the official date/time of sending. Dropping the entries into a courier pickup box does not constitute "postmark" until entered into the courier's system by their representative. Late entries (after closing date) will be accepted. However, all late entries will be placed to bottom of the wait list regardless of points, and will not be considered until all on time entries have been exhausted, regardless of zone.
- **QUALIFYING LISTS:** Qualifying lists will be made available after entries close September 14<sup>th</sup>. Note that qualifying lists are based on the horse's points earned from competitions with a start date from Dec 1<sup>st</sup>, 2017 to Sept 9<sup>th</sup>, 2018.

Because the USHJA uses USEF point totals for the qualifying period, we urge you to send your entries early. Please ensure that your points are correct with USEF. There is no need to send lists unless there is a pending discrepancy with USEF. All point discrepancies between your total and USEF total will be resolved through USEF before acceptances are issued. Do not send USEF printouts.

### QUALIFYING FOR USHJA HUNTER NATIONAL CHAMPIONSHIPS

- Ties will be broken by entry postmark date.
- If there are not enough entries through the zone qualifying process, entered horses will be accepted by total highest points accumulated during the qualifying period regardless of zone.
- Open 2' and 2'6" Hunter sections may be offered, depending upon space available after Affiliate recommendation spaces are filled.
